

WDSC 24_{hr} Swimathon

Saturday the 3rd April and Sunday the 4th of April 2010.

Associate membership - Parents

Parents wishing to swim at the Swimathon event must become associate members of the W&DSC Swimming club. Your intention to swim and membership request must be made before the 17th of March and ensures that the Parent/Swimmer and W&DSC Swimming club are insured in the event of accident. Unfortunately there can be no exceptions to this rule. Please ask Sue Cable our club secretary, who will take care of your registration.

We hope this will not deter active parental involvement, as associate club membership – cost is approx £20.00 - has benefits beyond the Swimathon event. Approximately half of the Associate membership fee received from each registration is retained into club funds. The remaining 50% supports ASA registration and insurance.

Parents, we do hope you will Swim at Swimathon 2010, even if it is under the cover of darkness!

Midnight and early hours sessions available.

Facilities for the WDSC Swimathon fundraising event have been generously provided 'free of charge' by Nexus, (Wycombe Leisure Limited).
