Harkin leads the way for Witney

NATHAN Harkin was the star performer for the Witney & District club as they took part in the Cheestrings British Age Group Category Championships

at the prestigious K2 complex in Crawley, West Sussex.

Harkin achieved an excellent fourth place in the 11 & under age group in the 50m.

This was the first year that Witney had sent a team to the championships, and despite tough competition, there were fine swims from every member.
