# WDSC 24hr Swimathon

## Witney and District Swimming club will hold a 24hr Swimathon between Saturday the 3rd April and Sunday the 4th of April 2010.

Raising money for both WDSC Swimmer development plus local and international children's charities, we invite all WDSC swimmers to take part regardless of age, helping themselves whilst helping others.

Starting at 12 noon on Saturday 3rd April at Carterton swimming pool and finishing at 12 noon Sunday 4th April, our swim target will aim to cover the equivalent distance between Witney's twin-town Le Touquet and back. This represents a mind boggling 318 miles OR 512km - but there's not much Witney swimmers can't do!

So please sign-up, join your team mates and have some great fun helping yourself, your club and less fortunate young people, by raising money through personal sponsorship.

Further information including personal sponsorship forms, swimming time allocations and other news relating to this event will be available very soon. Also, look out for news and downloads on the WDSC web site - [www.witneyanddistrictsc.co.uk](http://www.witneyanddistrictsc.co.uk)

If you are willing to swim and raise money - sign your name to the AVAILABILITY LIST on the notice board. Younger swimmers, please ask your parents before signing, because your commitment will be entered to the swim timetable and lane allocation, plus of course, anticipated fund raising contribution.

Parents/Guardians - If you are willing to help during the event, please let us know as we'd be delighted to hear from you. If you would like to swim a few lengths you are more than welcome - however you must be a registered associate Club member prior to the event - Please see Sue Cable (Club Secretary) if you require further details.

Lets ALL make a difference!
