

Witney and District Swimming Club open meet and night out.

16th and 17th October 2010

The club is organising an Open Meet at Southampton's Swimming Club on the 17th October 2010. We, as a club would like as many swimmers as possible who have achieved the necessary qualifying times to attend this event.

In addition the club is organising a night out in Southampton on Saturday 16th October to coincide with this Open Meet. This will potentially involve a trip to the local bowling alley and a meal in the restaurant with an overnight stay in a hotel, all good preparation for the swimming on Sunday.

If enough people are interested we will organise transport for the trip up and down the A34 to Southampton.

The costs are a bit variable at the moment but currently there are rooms available in Southampton for £65 per room. The swimming costs £4.50 per event entered. The bowling will cost around £10, we will be able to get a deal so should be worst case scenario here. The meal again will cost around £10 per person depending on the exact location. The coach if applicable, I am not sure yet on the costs but will update when I have some more information (this also depends on how many are interested in this event).

I would like to get this booked up before the summer break to ensure we can reserve the necessary rooms etc so if people are interested can they register their interest on the sheet provided or email me (stuart.mclean@zonal.co.uk).

Of course if you prefer, you can just swim at the open meet without the overnight stay.

This should be a good event with the chance to socialise outside of the normal environment and provide an opportunity to gain some good times for the swimmers ready for the Counties in March.

Thanks

Stuart Mclean
Open Meet Co-ordinator
